Reduce unwanted calls such as telemarketers**Nuisance Call Block***

You can block any specified number, as well as any head string of 2 to 8 digits matching your specified numbers or numberless calls.

*Requires subscription to Caller ID service offered by your provider/telephone company.
Numberless calls cannot be blocked depending on the service of your provider/telephone company.

Do something else while talking**Speakerphone**

You can talk with your hands free. It's convenient when you need to take notes, etc. Also everyone around you can join the conversation.

**Use your handset as an alarm clock****Advanced Alarm**

You can set the alarm to ring once, or daily or weekly. Convenient 5-minute snooze setting is also available.

Know who's calling at a glance*¹**Caller ID*²**

When an outside call is being received, the caller information is displayed.

*¹ Requires registration in the phonebook to display the name.

*² Requires subscription to Caller ID service offered by your provider/telephone company.
