

Direct Printing from USB memory

A convenient built-in USB slot lets you plug in a USB memory stick and print data directly from the USB memory without using a PC.

Built-in Wi-Fi®

Built-in Wi-Fi® enables a wireless connection to a network PC via your local network, without requiring a physical LAN connection. The WPS key permits you to easily configure a wireless network.

Specifications

Model		DP-MB251
General	Recording Paper Size	Cassette: A4, A5, LTR, LGL, Folio/Foolscap (216 x 330 mm), Oficio (216 x 340 mm), B5(JIS/ISO), 16K, Custom (W: 210-216 mm, L: 279-356 mm)
	Recording Paper Capacity *1	Multi-purpose tray/Manual tray: A4, A5, A6, LTR, LGL, B6(JIS/ISO), B5(JIS/ISO), 216 x 330 mm, 216 x 340 mm, 16K, Envelope #10/DL/YOUKEI #4/CHOUKEI #3/CHOUKEI #4, Japanese Postcard, Custom (W: 90-216 mm, L: 200-356 mm)
	Automatic Document Feeder (Sheets)	Maximum 1050 sheets (Standard tray: 500 sheets / Multi-Purpose tray: 50 sheets / Optional tray: 500 sheets)
	LCD Display	50 (RADF)
	Toner Empty Indicator	16 digits / 2 lines (Backlit LCD)
	Memory Size	Yes
	Software (Multi-Function / OCR)	768 MB
	Phonebook (Phonebook + One-touch dial)(Items)	Yes / Yes
	Power Consumption	300 + 6, Supported LDAP
PC I/F	USB	Maximum: Approx. 1000 W, Copy: Approx. 500 W, Ready: Approx. 55 W, Sleep: Less than 2.2 W*2
	Network Interface	2.0 Hi-Speed
Printer	Print Speed (A4)	10Base-T / 100Base-TX / 1000Base-T, IEEE802.11b/g/n
	Print Resolution (dpi)	30 ppm
	First Print Time (sec.)	Up to 1200 x 1200 (True)
	Print Language	8.5
	Duplex Print	GDI, PCL6, Adobe® PostScript® 3™
	Supported OS (Windows) (Others)	Yes (28 ppm)
Copier	Copy Speed (A4)	Windows® XP / Windows Vista® / Windows® 7 / Windows® 8 / Windows® 8.1, Windows Server® 2008 / Windows Server® 2012
	First Copy Time (sec.)	Mac OS X 10.5-10.10, Linux*3
	Copy Resolution (dpi)	30 cpm
	Multi-Copy (Pages)	Approx 8.0
	Duplex Copy	Up to 1200 x 1200
	Copy Functions	99
Scanner	Colour Scanning Resolution (dpi)	Yes (28 cpm*4)
	Duplex Scan	Quick ID, N-in-1, Separate N-in-1, Poster, Image Repeat, Booklet, Edge/Margin
	Scan Functions	Up to 1200 x 1200 (Optical) / Up to 19200 x 19200 (Interpolated)
	Supported OS (Windows) (Others)	Yes
	Facsimile	Scan to PC / OCR / Email Address*6 / FTP / SMB / USB
Facsimile	Modem Speed (kbps)	Windows® XP / Windows Vista® / Windows® 7 / Windows® 8 / Windows® 8.1
	Memory Transmission (Pages*6)	Mac OS X 10.5-10.10, Linux*3
	Out-of-Paper Reception (Pages*6)	33.6 - 2.4
	Duplex Fax (Transmission / Reception)	200
	Sequential Broadcast (Locations)	400
	Internet Fax	Yes / Yes
	Error Correction Mode (ECM)	20 x 3
	Incoming Fax Preview	Yes
	PC Fax Modem	Yes
	Fax to Email	Yes
	Caller ID Compatibility*7	Yes
	Caller ID List Printout	Yes
	One-Touch Dialing (Items / Station keys)	Yes
	One-Touch Tone Switching	6*8 / 3 x 2
	External Telephone Jack	Yes
Dimensions (W x D x H mm)		400 x 413 x 400 (Including handset unit: 495 x 413 x 400)
Weight (kg)		16
Option		Optional Lower Input Tray
Consumables	Toner Cartridge	KX-FAP107 (500 sheets)
	Drum Cartridge	DQ-TCC008E (8,000 pages, ISO/IEC 19752 standard)

\*1 75 g/m<sup>2</sup> \*2 When only USB interface is connected and LAN is OFF. Power consumption in sleep mode depends on machine condition. \*3 Supported Linux distribution: Red Hat® Enterprise Linux® Desktop 5/6/7, Ubuntu® 10/11/12/13/14. Driver is provided via web download. \*4 When using single-sided originals. \*5 This function may not be available depending on an Email server setting. \*6 Based on the ITU-T No. 1 Test Chart in standard resolution. \*7 Requires subscription to fee-based telephone company service. \*8 For stations 4-6, combined operation with the "LOWER" key is required.

# High-Durability Compact Business Machine

**30 ppm**  
High-speed  
printing

**28 ppm**  
duplex printing/  
copying

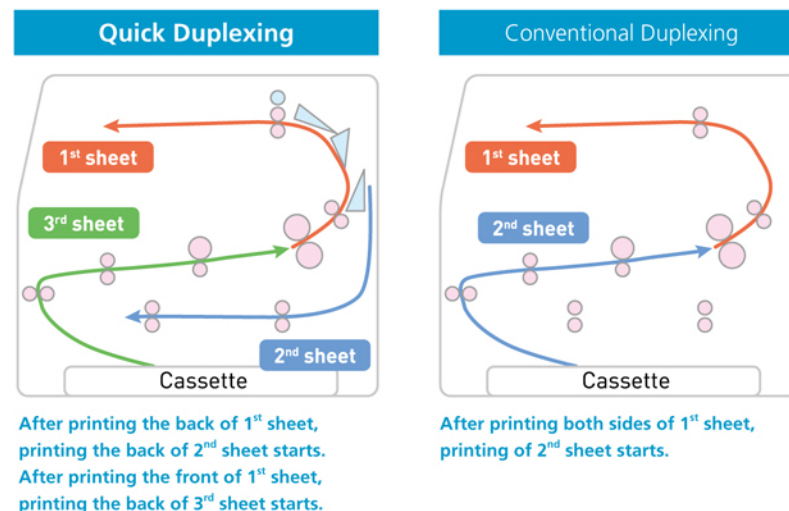

## High Productivity

### 28-ppm Quick Duplexing

Printing on one side of the page can be wasteful and inefficient. That's why these models feature a duplex printing capability. Conventional A4 size multi-function printers invert the pages one at a time, resulting in slow performance and poor productivity. Panasonic multi-function printers come as standard with quick duplexing, making it possible to print both sides at virtually the same speed\* as single-side printing.

\* Duplex productivity: 93 % (28 ppm)

## Advanced Features

### Secure printing

With Secure Print, you can prevent confidential documents from being leaked by protecting them with very high level security. Print data is password-protected and temporarily stored on your computer's hard drive. It can be retrieved and printed only when the password is entered on the printer. Plus, there is no limit to the number of pages you can store since, unlike most secure print systems that use memory-based storage, the secure print data is stored on your PC's hard drive.\*

\* Up to 30 jobs can be printed at a time from print data on the hard drive. If there are more than 30 jobs, additional jobs can be printed out after the first 30 jobs have completed.

### Secure scanning

In order to make secure document scanning, DP-MB251CX supports scanning with password-protected PDF file. It improves information leak prevention, and secure document management in your office.

## 100,000 pages monthly print volume

Built to handle the rigorous demands of businesses requiring high volume continuous printing capability, the DP-MB251CX features extra tough body construction. Together with the high yield 8,000-sheet toner cartridge, the DP-MB251CX delivers high speed 30 ppm simplex printing with a maximum duty cycle of 100,000 pages, ideal for large businesses where extra high volume printing is required every day.

Monthly print volume Max  
**100,000**  
pages

## 500-sheet paper tray

Usually compact MFPs designed to be used in small offices or home offices (SOHO) are equipped with a 250-sheet paper cassette, while commercial printing paper is normally supplied in 500-sheet packs. Despite the compact design and slim profile, with a height of just 400 mm, the DP-MB251CX is equipped with large-capacity cassettes capable of holding a full pack of 500 sheets. This means that you can load all 500 sheets at one time and not have to leave open reams of paper lying around your office.

## 50-sheet reversing automatic document feeder

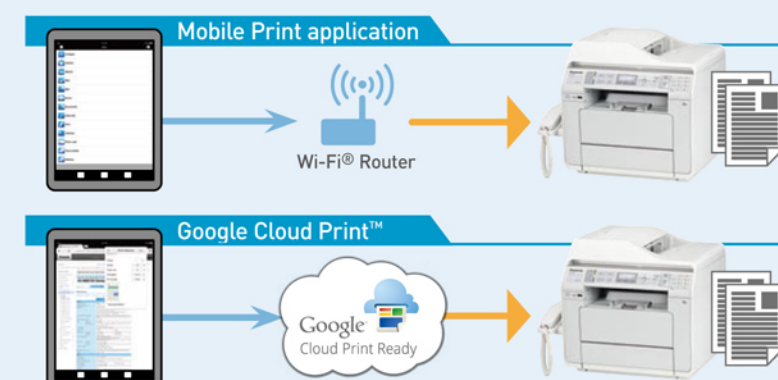

The DP-MB251CX is also equipped with an automatic reversing feed function that can automatically scan both sides of the document. This is done using a Reversing Automatic Document Feeder (RADF). Besides improving efficiency, this is especially convenient as double-side printing is becoming more common.

### Mobile printing

The DP-MB251CX is compatible with the Mobile Print application\* and Google Cloud Print™, enabling printing from mobile devices such as tablets and smartphones and giving your business the edge in today's fast-moving world.

\* For more details, please visit "<http://panasonic.net/pcc/products/aio/app/>".

### Internet Fax

The Internet Fax function dramatically increases fax transmission speed. Panasonic Internet Fax capability far exceeds any Super G3 transmission and with Internet Fax, large jobs can be quickly transmitted over the Internet.

### LDAP (Lightweight Directory Access Protocol)

The DP-MB251CX supports LDAP which makes it possible for you to use your phonebook on the network. This means you don't have to separately register or manage email addresses or phone numbers on your device; instead you can consolidate the phonebook management on the network.
